Training Options

Plan A: Basic Obedience

This is a 30-day in-kennel training program geared around AKC S.T.A.R. program. Once your pup has completed this he/she will not only be able to pass the AKC S.T.A.R. program test, but they will also understand the commands COME, SIT, DOWN, STAY, BED, NO, HEELING on leash, crate training, etc. If your dog is starting at the Basic Obedience level they will learn all they above commands on leash, which will enable them to smoothly transition to off leash commands in Intermediate Obedience.

At the completion of the 30-day Basic Obedience Program, we will conduct a personal hands-on session with you and your puppy/dog to make sure you are comfortable with what the puppy/dog has learned. An at home follow up session can be scheduled after the recommend two week transition period.

Included: Room & board, daily exercise and personal one-on-one training.

Note: Required food, vaccinations, heartworm preventative and parasite control are at the owner's expense; any needed vet care is at the owner's expense including trip charges.

Plan B: Intermediate Obedience

This is a 30-day in-kennel training program geared around the AKC Canine Good Citizen Program. Once your pup has completed this he/she will not only be able to pass the AKC Canine Good Citizen program test, but they will also understand the following commands both ON and OFF leash: COME, SIT, DOWN, STAY, BED, NO, HEELING on leash and off, crate training, etc. At this level of obedience we offer e-collar training for those clients who would like complete control over their dogs. Our clients who complete this level of training say it is “life changing” for both the owner and the dog.

At the completion of the 30- day Intermediate Obedience Program, we will conduct a personal hands-on session with you and your puppy/dog to make sure you are comfortable with what the puppy/dog has learned. An at home follow up session can be scheduled after the recommend two week transition period

Included: Room & board, daily exercise and personal one-on-one training.

Note: Required food, vaccinations, heartworm preventative and parasite control are at the owner’s expense; any needed vet care is at the owner’s expense including trip charges.

Plan C: Advanced Obedience

This is a 30- day in- kennel program geared to anyone with the goal of having a therapy dog. This program consist of loading, unloading and riding in a vehicle as well as public outings. We use the month to travel and visit dog friendly stores and restaurants. This allows the dog to learn what is appropriate behavior in a new environment and how to react to stranger meet and greets.

At the completion of the 30- day Advanced Obedience program, we will conduct a hands-on session with you and your dog to make sure you are comfortable with what the dog has learned.

Included: Room & board, daily exercise and personal one-on-one training.

Note: Required food, vaccinations, heartworm preventative and parasite control are at the owner’s expense; any needed vet care is at the owner’s expense including trip charges.
