Boarding Checklist

VACCINATION RECORDS	FOOD/MEDICINE	COMFORT NEEDS (REDUCE STRESS)

- DHLPP (Annual 7 in 1 OR 5 in 1)	- Dog Food: We DO NOT provide dog food. Please provide your fur babies food in a Ziploc bag for each meal. Example: If your fur baby eats 2 times a day, that would be 2 Ziploc bags per day.	- Bed and/or Blankets
- Rabies Certificate		- Toys (no rope toys)
-Negative fecal test- yearly	- Any current medicine your fur baby is taking along with detailed instructions of prescription.	- Well warn, unwashed t-shirt or something with your smell on it. This makes the dog less stressed during their stay.
- Bordetella (Kennel Cough- either every 6 months or 12 month) WE REQUIRE BOARDERS TO HAVE HAD THE BORDETELLA VACCINE AT LEAST 2 WEEKS PRIOR TO ENTERING OUR FACILITY.	We have a refrigerator and freezer for any food or medications that needs to be kept cold.	- Special treats your fur baby loves. (NO rawhide treats and no meat bones)
